

Producers Scholarship Committee Overview

Each school year, a scholarship committee of parents/guardians is selected from a list of volunteers with the goal to have representatives across each of the nine YPAS (Youth Performing Arts) disciplines. Please review the below commitments to determine if you would like to volunteer.

Requirements

- You must have a student whose major is one of the nine YPAS disciplines
- You can only serve on the committee if your student is a freshmen, sophomore or junior (due to conflicts of interest with a senior student)
- You must reapply to volunteer each year

Nine Disciplines of YPAS/Departments

- Band
- Dance
- Design and Production
- Guitar
- Musical Theatre
- Orchestra and Strings
- Piano
- Theater
- Vocal Music

Time Commitment

All committee members have access to each application in early April and are responsible for reading all applications for every student who applies. Each application can take approximately 15-20 minutes each to review and includes the following items:

- Application - Basic information
- Short answers responses
- Resume
- Recommendations - Two total, one from a YPAS teacher and one from the community, which can be a school or private teacher.

The committee meets as a group once in late March to review the process.

The committee will also interview each applicant . Interviews will take place on two-three dates in April. Interviews will be held virtually during non-school hours and last approximately 15 minutes each per applicant.

If you are interested in serving on this committee, please fill out the [volunteer information here](#) and we will be in touch with you shortly. For questions, email scholarship.producers@gmail.com
